

Distinguished
YOUNG ALUMNI
AWARD

2024

Introduction

The Colorado State University Pueblo Distinguished Young Alumni Award is one of the highest honors bestowed upon an alumna/us, under the age of 40. The award recognizes alumni who have enhanced the reputation of the college through their outstanding professional achievements, personal accomplishments, and/or their loyal service to their alma mater and community.

Mission

We are proud of what our alumni do around the world. They lead in your communities. They create new ways to serve and meet needs. They take what they learned as a student and use it to make things better in their work, where they live and for the people closest to them. Every year we highlight some of the amazing things our alumni have done and honor them during homecoming week.
